Re: REV. HAMBORSKY

Operative, in company with Mr. Thompson, went to the plant of Johnson and Johnson and there saw and spoke to a Mr. Manley, who was to get up a list of Hungarian men and women for operative to interview. It was decided that any list he might be able to give operative would be of no use. He did give operative, however, the names of a few responsible people who would be able to give information in regards to Rev. Hamborsky. The names were as follows:

Bishop Mathews  
Henry and Frank Parker  
Rev. Schodtle  
Mrs. Laky (sister at National Bank)  
Dr. Culp, Presbyterian Church  
Rev. Laky (Youngstown  
Stamberger, S.S. agent French St.  
Rev. Herbert Parrish

It was decided, however, that operative go to Philadelphia and see and interview Dr. A.G.Schodtle, formerly dean of the Eastern Convocation.

Operative left on the 5:59 P.M. train for Philadelphia and on arriving went to the Vendone Hotel and engaged a room.

Respectfully submitted:  
R.P.T.
